

RODRIGO CHAPARREIRO

Lifestyle and Sport Photographer

A man with dark hair and a beard, wearing a green hooded jacket, is sitting on a light-colored concrete ledge. He is facing away from the camera, looking out over a vast, sandy, and somewhat barren landscape under a clear sky. The scene is captured in warm, golden-hour light, casting long shadows. The concrete ledge he sits on has some dark spots and a small white bottle nearby.

INTRODUCTION

I like to photograph people. — playing sports, working, hanging out, being together, living.

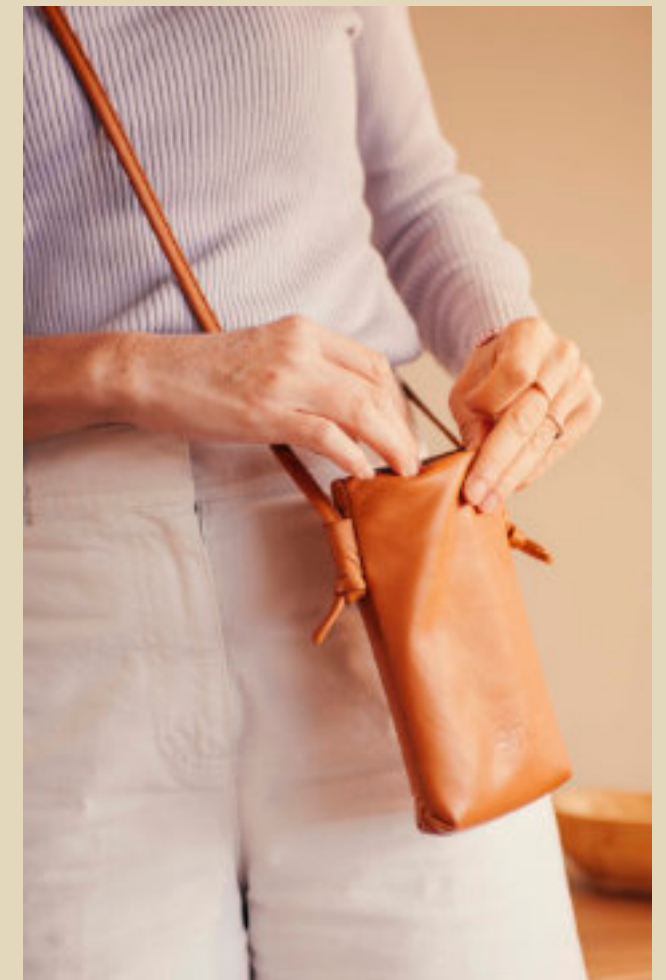

From there into movement and athletic action, into the unposed moment, in between actions, into the spaces and environments that shape how we exist in the world.

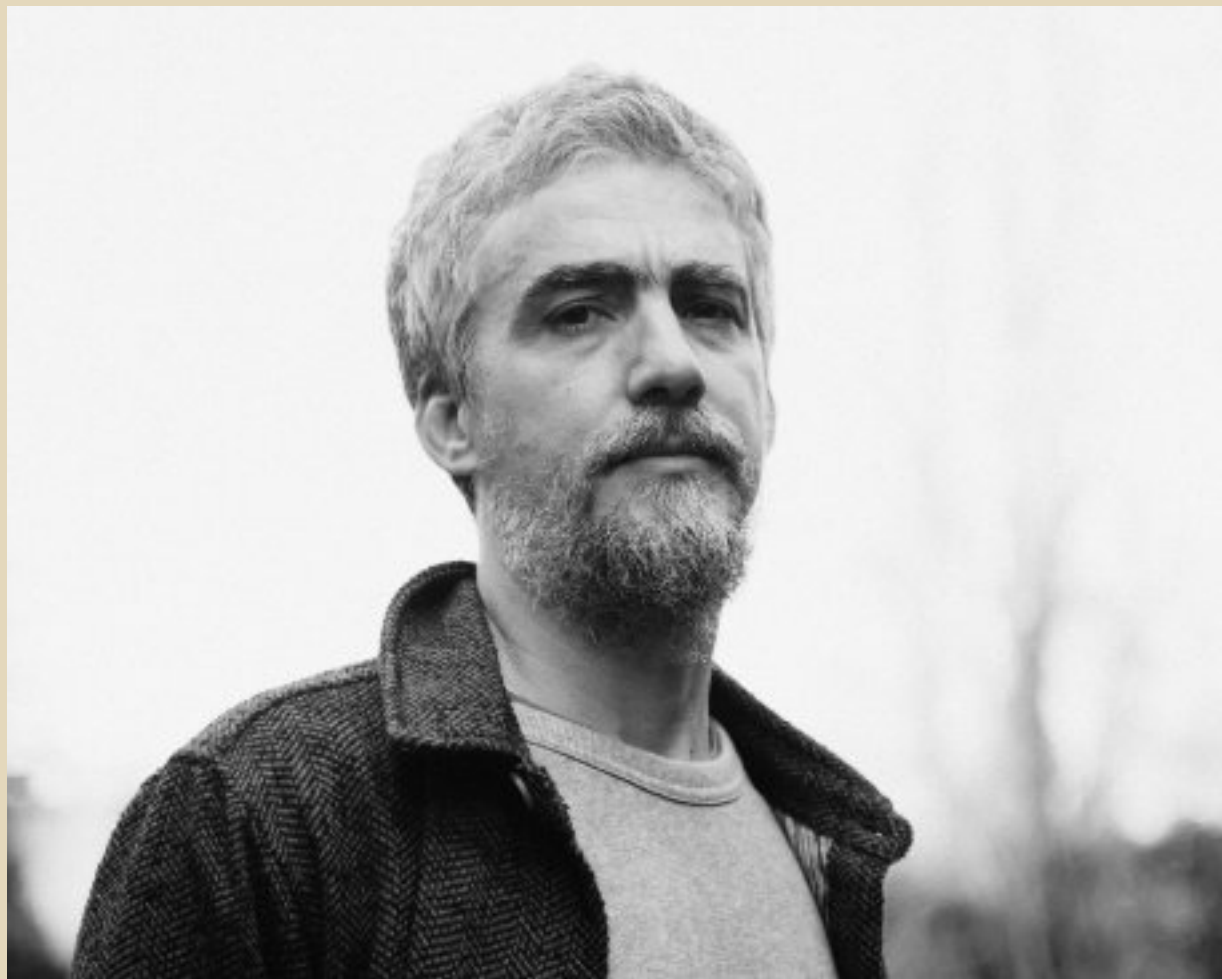

Lifestyle and sport with a documentary eye — real people, light and life as it happens.

Based in Barcelona. Shooting for brands across Europe and beyond.

A photograph of two hikers from behind, walking through a lush green mountain valley. The hiker in the foreground wears a grey t-shirt, a brown cap, and a large brown backpack. The hiker behind them wears a light green long-sleeved shirt, a black cap, and a large orange backpack, and is holding a wooden walking stick. They are surrounded by green grass and wildflowers, with steep, rocky mountains in the background under a blue sky with scattered white clouds.
